2. Please list any federal grants or contracts (including subgrants or subcontracts) related to the subject matter of the hearing that were received in the current year and previous two calendar years by you or the organization(s) you represent at this hearing, including the source and amount of each grant or contract.

NRCS/Colorado Water Conservation Board – North to North Wellington Gulch. As a consequence of the Waldo Canyon Fire, excessive stormwater runoff has caused extensive erosion along the pipeline alignment and access roads in Wellington Gulch. This grant related project will make drainage improvements along hill slope drainages that intersect the pipeline that have consequently exposed sections of pipe. (\$945,000)

NRCS – Solar Ponds – Ray Nixon Power Plant/Clear Spring Ranch for Little Fountain Creek Restoration work. (\$4,052,250)

3. Please list any contracts or payments originating with a foreign government related to the subject matter of the hearing that were received in the current year and previous two calendar years by you or the organization(s) you represent at this hearing, including the amount and country of origin of each contract or payment.
